

Celebrating America's 250th Birthday in 2026

Join Milford Senior Center as we embark on a journey to celebrate our Nation's Semiquincentennial with a mural commemorating our country's great history.

The mural will grace the walls of Veterans' Cove and will feature the branches of our US military along with significant historical Delaware contributions to America's story.

Money raised from this project will enable Milford Senior Center to refurbish our Veterans' Cove area and continue to provide valuable services to all members, like free transportation and low-cost meals.

About the Mural Project

The patriotic mural to be painted by local artist Heather Reaves with the help of select MSC members is a creative celebration of America's Semiquincentennial. The mural will recognize our country's military branches, and will feature highlights of our Nation's rich 250-year history, including significant contributions by the State of Delaware and the City of Milford.

This collaborative artwork will grace the walls of Milford Senior Center's "Veterans' Cove" area, serving as a visual tribute to historical milestones and memories for years to come.

Veterans' Cove is a welcoming open-concept room dedicated to the men and women that have served our Nation. The Mural Project also serves as a fundraiser for Veterans' Cove and veterans supported activities at the Center. The area is designed for relaxation and is in need of a major overhaul.

Much of the Center's membership is comprised of Veterans that currently pay \$25/year for membership dues. Funds raised through the Mural Project's **Independence Visionary Partner** sponsorship level will allow us to offer free memberships for our Veteran members for years to come.
